Re: Translation of the 2017 Annual Meeting Program

Dear Brothers:

Arrangements are moving ahead for the upcoming annual meeting and dedication program for the new world headquarters in Warwick, New York, and for the Wallkill expansion. As announced in the letter dated December 31, 2016, all congregations are invited to attend either the live broadcast or a rebroadcast of the program during the weekend of October 7-8, 2017.

Although simultaneous interpretation of this exciting event will not be arranged, we are pleased to inform you that a full translation of the entire program will be provided on JW Broadcasting in the weeks following the annual meeting. This is an adjustment from what was stated in the December 31, 2016, letter.

Please accept an expression of our warm Christian love and best wishes.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*

PS to bodies of elders:

Please arrange for this letter to be read to the congregation at the first midweek meeting after its receipt. Thereafter, it should be posted on the information board. **However, this postscript should not be read to the congregation and should not be posted on the information board.**

Since a full translation has been approved to be provided on JW Broadcasting in the weeks following the event, no local arrangements should be made for translation or simultaneous interpretation for the weekend of October 7-8, 2017.
