TO THE CONGREGATIONS

Re: Information about the Historical Exposition concerning Conscientious Objection

Dear Brothers:

On August 29 we informed the congregations about the historical exposition concerning conscientious objection to military service maintained by our young Witnesses during the decades of 1960 and 1970. Now we are able to offer additional information:

Visiting Hours:

During the month of October

Monday through Sunday, and Holidays

11:00 - 20:15 hours

During November and December

Monday through Sunday, and Holidays

11:00 - 19:15 hours

We take the opportunity to remind everyone of the dates of the exposition: October 23 through December 17, (inclusive). It is not necessary to notify in advance either the branch or the Ayuntamiento of Cádiz of the day and time of a visit, and there is no charge of admission.

In response to questions that have been raised, we would like to confirm that brothers who make plans to visit the exposition, either personally or as a congregation, should understand that all arrangements for travel and accommodation are to be cared by the individuals or groups involved.

We would also like to mention that the exposition is designed to help persons who are not in the truth to understand first-hand what the young Witnesses of those times did to maintain loyalty to their Christian principles by invoking their right to conscientious objection. The focus of the presentation is objective, rather than drawing attention to the injury committed. In this way, the message is constructive, directing thoughts to the importance of acting in accord with our convictions, among other possible points for meditation. Everything considered, and remembering that the exposition will be held in a public place made available by the City of Cádiz, we trust that the brothers attending will set the customary fine example of discretion and respect toward the non-Witness public that also visit the exposition.

We join you in prayer to Jehovah asking his blessing on this project, and send an expression of warm greetings and fervent Christian love.

Your brothers,

Testigos Cristianos de Jehová
