TO ALL LANGUAGE CONGREGATIONS AND GROUPS

Re: *Organized* Book in ASL

Dear Brothers:

We are pleased to inform you that the book *Organized to Do Jehovah's Will* soon will be made available in American Sign Language (ASL). This publication is being prepared as web-only videos and will be made available on [jw.org](http://jw.org) and in the *JW Library Sign Language* app. When downloading the publication, the following message will appear on the screen: "This book is an internal publication, provided solely for use by congregations of Jehovah's Witnesses, and is not intended for public distribution." The video for each chapter will be made available once it is finalized.

We send our warm Christian love and best wishes.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*
