TO ALL CONGREGATIONS IN THE UNITED STATES BRANCH TERRITORY

Re: New Original Song for Annual Meeting

Dear Brothers:

We all are anticipating the special program being prepared for the 2017 annual meeting, which includes the dedication of a number of new branch buildings and the world headquarters facility in Warwick, New York. As previously announced, all congregations in the U.S. branch territory will be invited to attend either the live broadcast or a rebroadcast of the program during the weekend of October 7-8, 2017. Additionally, we are pleased to inform you that the Governing Body has approved a new original song for the dedication program. It is entitled "A Place That Will Bring You Praise." This new song will be one of the songs that we sing during the program.

To assist with learning this song, two versions of the song will be posted. One version will be a video of the chorus performing the new song. The second version will display the lyrics as the chorus sings the song. These videos will be in English only. They will be posted on JW Broadcasting on Thursday, September 28, 2017.

To provide further assistance, a music sheet in English will also be posted on jw.org. It can be found by navigating to: *Publications/Music/Original Songs*. We are confident that you will be eager to prepare for and participate in singing this new song.

We send our warm Christian love.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
