Re: *Lead Sheet for “Sing Out Joyfully”*

Dear Brothers:

We are pleased to inform you that sheet music is being prepared for each song in “*Sing Out Joyfully*” to Jehovah. This sheet music, entitled *Lead Sheet for “Sing Out Joyfully,”* is in the process of being made available in PDF format on jw.org in English and Spanish. It will be made available in additional languages in due course. The sheet music features simplified chords, easy-to-read staff notation for the melody, and lyrics displayed under the melody notes. Songs can be printed for personal use or for use at informal gatherings. This sheet music can also be used for guitar accompaniment during Christian meetings if it is not possible to play the recorded music.

The sheet music is being made available on jw.org as a download option for the PDF format of “*Sing Out Joyfully.*” Initially, the PDF file will include only the songs that are available in the sheet music format. As additional songs become available in this format, the PDF file will be updated and will eventually include all 151 songs from “*Sing Out Joyfully.*” We are certain you will enjoy using this additional provision for singing praises to our God, Jehovah.

We send our warm Christian love and best wishes.

Your brothers,

Testigos Cristianos de Jehová
