Re: Clarification of the dates of the historical exposition related to conscientious objection

Dear Brothers:

With respect to the historical exposition in the castle of Santa Catalina in Cádiz, we must mention that the exposition will begin with a special inaugural program the afternoon-evening of Monday, October 23, which will not be open to the public.

Therefore, the dates of the exposition for the general public will be from Tuesday October **24** to Sunday December **17**, inclusive. As indicated in our previous letter, visiting hours for the public will be:

October: Monday through Sunday, and Holidays (11:00 - 20:15 hours).

November and December: Monday through Sunday, and Holidays (11:00 - 19:15 hours).

United with you in praying for Jehovah's blessing on this project, we send warm greetings and fervent Christian love.

Your brothers,

*Testigos Cristianos de Jehová*
