Re: Adjustment to May's Local Needs Item

Dear Brothers:

We are writing regarding a video that is to be shown during the local needs item scheduled for the week of May 7, 2018.

The video is entitled "Making the Best Use of Kingdom Halls." As this video is 12 minutes in length, you will need to reduce the item "Prepare Your Children to Follow Christ" by two minutes and the Congregation Bible Study by five minutes.

By way of introduction to the video, the chairman should say: *"We will now view a video entitled: 'Making the Best Use of Our Kingdom Halls.' This provides insight into the branch-wide plan to make the best use of our places of worship. It illustrates how this important work supports the furtherance of Kingdom interests, explains how each of us can contribute personally, and highlights the wonderful blessings being experienced by our global brotherhood as a result of this initiative."*

Thank you for your assistance with this matter. Please be assured of our warm Christian love and best wishes.

Your brothers,  
*Christian Congregation  
of Jehovah's Witnesses*
