Re: Local Needs Item Week of September 3, 2018

Dear Brothers:

Please note that the local needs part in the midweek meeting for September 3, 2018, should be dedicated to informing the congregation of a new arrangement for donating online. Details will be in September's *Announcements and Reminders* (S-147) form that will be released on September 3, 2018.

Thank you for noting this important information. Please be assured of our warm Christian love and best wishes.

Your brothers,
