TO ALL FIELD SERVICE GROUP OVERSEERS

Re: Auxiliary Pioneering in March 2019

Dear Brothers:

We are aiming for an all-time peak in auxiliary pioneers during March 2019, which will be announced to the congregation in the *Announcements and Reminders* (S-147) form for January 2019. How can you and your fellow elders assist?

During January, arrange to meet with your group. (Where a group is cared for by a ministerial servant, the body of elders should assign an elder to meet with the group servant and the group.) In the meeting, kindly and tactfully build enthusiasm for this campaign. Share practical suggestions to help the publishers plan ahead.

This March campaign offers you an excellent opportunity to give even greater attention to your assignment. (*ks10* chap. 2 pars. 22, 23) Warmly commend the brothers for the efforts they make to increase their share in the ministry.

Thank you very much for giving this matter your prompt attention. We are confident that, through your loving efforts and Jehovah's blessing, this initiative will increase praise to his name. Please accept our warm brotherly affection and greetings.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*
