## To Selected Congregations in the Region

Dear Brothers

The Branch have assigned a number of Theocratic schools to be held at Bristol Assembly Hall in 2019 and 2020. In March brothers serving in the Polish field are attending a week long School for Congregation Elders. Also in 2019 and in 2020 a number of month long Schools for Travelling Overseers and Their wives will be held at Bristol.

The Branch have asked that we identify suitable accommodation for the students while they are attending these schools.

We are writing to ask for your help with this. The Branch require that only homes of families who are in good standing should be used and that it would be helpful if the attendees could have a quiet place to study in the morning and evening.

Could we please ask that you give this your immediate attention. Obviously you know your congregations best and you will be able to quickly identify appropriate accommodation.

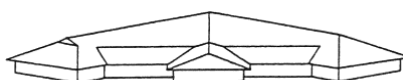

This will provide a great opportunity to support our elders serving in a foreign language field and our hard working travelling overseers and their wives as they receive spiritual encouragement to carry out their assignment. We are sure there are many families in our region who will want to give their support.

If you do have suitable homes to accommodate these students please can you complete the attached form and email it to Bristol Assembly Hall. **Our email address is: [ah0971288@jwpub.org](mailto:ah0971288@jwpub.org). Please can you also email us if you do not have any homes which are suitable. This will prevent us having to contact you again.**

Can we take this opportunity to thank you in advance for giving this important matter your consideration.

Your brothers
