To selected congregations

Re: Requests for Annual Items

In the May 2019 *ANNOUNCEMENTS AND REMINDERS* (S-147) and also on the *New Publications Available* sheet for May 2019, each congregation was invited to submit their requests for annual items*, by August 1. However, it seems that your congregation has not yet entered a request.

Due to the decline in requests for printed editions of annual items, we cannot base the printing quantities on past orders. We need all requests in order to be able to determine correct printing quantities. Therefore, it is imperative that we receive your request by Sunday evening, August 4, since the printing branch starts production of these items next week.

After this date, it is likely that you will not be able to obtain annual items. Please submit your request in the usual way via jw.org, rather than sending an email.

Thank you for your cooperation.

Your brothers,

Shipping Department
Britain Branch
