Re: Volunteers

Dear Brothers:

The apostle Paul wrote, in 1 Timothy 4:10: “We are working hard and exerting ourselves, because we have rested our hope on a living God”. In harmony with those words, the “faithful and discreet slave” also continues making every effort now to strengthen our faith and keep our hope alive. (Matthew 24:45) In line with that objective, in recent years greater attention has been focused on the role of music in our worship, awakening feelings of gratitude and enthusiasm.

In order to continue caring for this important facet of our worship, we are interested in locating brothers and sisters who possess knowledge or abilities such as the following:

- \* Orchestra or band directors
- \* Chorus directors
- \* Songwriters (lyrics)
- \* Audio technicians with musical ability
- \* Singers who speak Catalan, Spanish, Basque, Galician or Valencian

Those with the abilities mentioned and who meet the requirements to apply may, if they so desire, fill out the A-19 form, which the body of elders can forward to the branch. We would like to express thanks in advance for the willingness with which many will respond to this invitation.—Psalm 110:3.

We pray that Jehovah continue to bless the efforts of all His servants to praise and serve Him with a whole heart. (Matthew 22:37) Receive an expression of warm Christian love.

Your brothers,

*Testigos Cristianos de Jehová*
