## TO THE CONGREGATIONS

Re: Guided tours of the Remote Translation Office in Mataró (Barcelona)

Dear Brothers:

On November 23, 2019, the premises in Mataró (Barcelona) where the Catalan Remote Translation Office is located were dedicated to Jehovah. In this new location 18 brothers and sisters serve full-time, supported by several outside volunteers, to accomplish the translation of publications into Catalan, as well as recording operations.

It is a pleasure to inform you that plans have been made for the congregations to visit this Remote Translation Office. Beginning on April 4, every Saturday guided tours of about 45 minutes in duration will be organized in Catalan, Spanish and other languages. The brothers who wish to visit the facilities should make a reservation in the [jw.org](http://jw.org) Internet website, section “**About Us/Offices & Tours**”.

No doubt about it, a visit to these facilities will increase our appreciation for all that Jehovah is doing in our time so that persons of all nations, cultures and languages may come to know Him and become His friends.—Isaiah 2:2-4.

Always happy to collaborate with you in the Kingdom work, we send an expression of warm Christian love.

Your brothers,

*Testigos Cristianos de Jehová*
