Re: Cancellation of Branch Visit for 2020

Dear Brothers:

The Service Committee of the Governing Body has informed us that the visit of the world headquarters representative, Brother William Turner, Jr., has been cancelled. This is due to uncertainty as to the future impact of the coronavirus pandemic.

This means that the branch-wide special meeting, which we informed you of in our letter SDE:SSP July 16, 2019, will no longer be taking place. This meeting was scheduled for Saturday, May 23, 2020. We realize this decision may be disappointing to you. However, we trust that you see the love and wisdom behind this direction.—2 Cor. 8:24; Jas. 3:17

Thank you for noting this change. Please accept our appreciation for your faithful service during these eventful times.

Your brothers,  
*Christian Congregation  
of Jehovah's Witnesses*
