Re: COVID-19—Events In Kingdom Halls

Dear Brothers:

During the current pandemic, please note that events such as weddings and funerals at Kingdom Halls are not permitted at this time. We appreciate this will be disappointing for many who would have wanted to use the Kingdom Hall in this way. However, we are certain you will understand our reasons for giving this direction.

No doubt, you will kindly explain this to those who have had their plans disrupted. You may assure them of our warm brotherly love. Thank you for your continued cooperation during “times of distress.”—Ps. 9:9, 10.

Please be assured of our warm Christian love and best wishes.

Your brothers,
*Christian Congregation
of Jehovah's Witnesses*
