FOR FOLLOW-THROUGH BY THE COORDINATOR OF THE BODY OF ELDERS

1. **Announcements for the Congregation:** Ensure that the announcement for the congregation is read at the next midweek meeting.

FOR THE CONGREGATION

1. **Link to Online *Awake!* Article:** This is an unprecedented time, when the coronavirus pandemic has caused even our public and door-to-door ministry to be temporarily suspended. Naturally, all of Jehovah's servants are eager to do what they can to share the good news in spite of the present challenges.—Psalms 110:3; 2 Timothy 4:2.

2. We encourage all publishers to make good use of the online version of *Awake!* No. 6, 2016. The cover series was entitled "Disease—How to Reduce the Risk." It contains excellent practical, Bible-based recommendations on protecting ourselves from disease.

3. Family members, Bible students, return visits, work colleagues, and others may appreciate receiving a link. Some may respond by showing appreciation for the practical value of the Bible's teachings. As a reminder, a placement should be counted each time a link to a publication is sent, and a return visit should be counted where applicable.—See *Organized* chapter 8, paragraph 25.
