TO ALL BODIES OF ELDERS

RE: Judicial Hearings in Kingdom Halls

Dear Brothers:

The branch office has approved that, once the Kingdom Hall has been cleaned and disinfected, the bodies of elders may hold judicial hearings there without the need to consult with the Service Department. However, please keep in mind the importance of abiding by the following safety guidelines:

- All should be reminded of the need to take the necessary precautions to reduce the risk of being exposed to infection.
- Good hygiene, use of masks, and maintaining a safe physical distance are vital. Make sure disinfectant gel is available at the Kingdom Hall.
- All in attendance must be in good health and not be considered as high risk individuals.
- The laws and recommendations imposed by the local authorities should be followed.

We remind you that this is the only activity that is allowed in the Kingdom Hall. The branch office is constantly re-evaluating the situation and will let you know as soon as other activities may be resumed.

We appreciate your cooperation and diligence as you follow the recommendations of the “faithful and discreet slave” in these very special circumstances.—Matthew 24:45

Please accept our Christian love and greetings.

Your brothers,
