TO ALL CONGREGATIONS IN BRITAIN AND IRELAND

Re: Changes to Circuits

Dear Brothers:

Due to the increase we have witnessed over the past few years, a number of circuits have grown. Also, many of our foreign-language congregations are now part of European-wide circuits enjoying circuit visits in their own language. To ensure that circuits in Britain and Ireland are a similar size, commencing **September 1, 2018**, the majority of circuits will be adjusted and renamed.

To give you an idea, there will be six circuits in Scotland called Scotland 1 to 6. In the Midlands there will be 12 circuits named Midlands 1 to 12, and so forth throughout Britain and Ireland. In some cases, the congregations making up the new circuit will be derived from two or three of the current circuits. In preparation for these adjustments, your current circuit overseer will be writing to you soon informing you of the circuit your congregation has been assigned to from September 1, 2018.

We know you will willingly and wholeheartedly support this exciting adjustment as you support Jehovah's progressive organization. (2 Tim. 4:22) Please be assured of our very warm Christian love and best wishes.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*

PS to the coordinator of the body of elders:

Please arrange for this letter to be read at the next midweek meeting. Thereafter, it should be posted on the congregation noticeboard for one month. Once your circuit overseer informs you which circuit the congregation has been assigned to, please announce this to the congregation.

Foreign-language congregations already assigned to a European circuit that cares for the language of the congregation do not need to read this letter to the congregation or display it on the noticeboard.
