Re: Study of *Jesus—The Way*

Dear Brothers:

Beginning the week of December 18, 2017, the book *Jesus—The Way, the Truth, the Life* will be considered at the Congregation Bible Study. At the start of each study, the conductor will have all of the assigned paragraphs read by the assigned reader. Then the conductor will ask the review questions, allowing for application of the material. As time permits, the conductor will have some or all of the Scripture passages at the beginning of the chapter read by members of the congregation or by the assigned reader. The conductor may assign certain verses or roles to members of the congregation in advance or choose to have the audio recordings played if they are available in the language of the congregation. In connection with those passages, the conductor may ask auxiliary questions to highlight points for personal application. We encourage all to prepare well and participate fully in the study.

Please accept an expression of our warm Christian love.

Your brothers,  
*Christian Congregation  
of Jehovah's Witnesses*

PS to bodies of elders:

Please arrange for this letter to be read to the congregation at the first midweek meeting after its receipt. Thereafter, it should be posted on the information board.

For the material to be considered the weeks of December 18, 2017, and October 26, 2020, the conductor will need to prepare the questions to be asked.
