Re: 2018 Memorial and Special Talk

Dear Brothers:

As a continuation of our letter of September 18, 2017, in which the congregations were informed that the special talk will consist of a discourse prerecorded by the branch to be presented the week prior to the Memorial, we are pleased to supply additional information.

The Spain branch will upload to [stream.jw.org](http://stream.jw.org) the special talk entitled “Who Really Is Jesus Christ?” in the following languages: Catalan, Spanish, Basque, Galician, Spanish Sign Language and Valencian.

In the case of other foreign languages, the congregations and groups will use the recordings available on [stream.jw.org](http://stream.jw.org) provided by the respective countries. For example, for the discourse in English, the recording produced by the British branch will be used.

We would like to take the opportunity to remind the congregations that the special talk will be presented the week of March 19, that is, the week before the Memorial celebration. It could be that because of a series of theocratic events, such as the circuit assembly, the circuit overseer’s visit or the visit of the representative of World Headquarters, it is not possible to present the special talk during that week or the preceding week. In that case, it should be presented on a date as close as possible to the Memorial.

Thank you very much, dear brothers, for having in mind these guidelines. Please receive our expression of warm regards and Christian love.

Your brothers,

*Testigos Cristianos de Jehová*
