TO THE CONGREGATIONS

Re: Special Meeting

Dear Brothers:

We are pleased to let you know that preparations are being made for a special meeting in connection with the visit of Brother Alex Reinmueller to the Spain branch, as World Headquarters representative. The meeting will be held on **Saturday, March 17, 2018**.

As on previous occasions, the program will be transmitted by Internet from Bethel to all the Kingdom Halls in the country. Many congregations will be able to enjoy the program live, while others will view later retransmissions of the program, according to the following schedule:

Program Live: Saturday, March 17, 2018, 10:30am to approximately 1:00pm.

Retransmissions: Saturday, March 17, 2018, 5:00-7:30pm.

Sunday, March 18, 2018, 10:30am-1:00pm.

Sunday, March 18, 2018, 5:00-7:30pm.

During that weekend no other congregation meeting will be held, except for the congregations that have the circuit overseer's visit. In that case the complete program of meetings, including the *Watchtower* study, will be held.

Plans are being made so that all congregations can view and hear the program at their respective Kingdom Halls. The program should not be recorded for viewing at times different from those approved. The live program and the retransmitted programs will be identical in content. The elders of the congregations that meet in the same Kingdom Hall will decide the time that each congregation will meet, having in mind the seating capacity of the Hall and the circumstances and needs of each congregation. It could be in some cases that more than one congregation gather together at the same time. As the program will be transmitted at four different times, it would be advisable not to mention confidential details to other brothers until everyone has seen the program. In that way all will be able to enjoy the spiritual information presented, in the proper setting. The meeting will be in Spanish, except for Brother Reinmueller's discourse, which will be given in English and translated into Spanish. The branch will provide no other translation, except for Spanish Sign Language. The LSE congregations and groups will be able to connect with the branch to receive their translation. We feel certain, brothers, that this will be a happy and encouraging occasion.

We pray Jehovah's blessing on the preparations for this special meeting, and take the opportunity to send an expression of warm regards and fervent Christian love.

Your brothers,

Testigos Cristianos de Jehová

P.S.: This letter should be read to the congregation in the next midweek meeting.
