Re: Special Preaching Campaign in Ireland—Update

Dear Brothers:

There has been an outstanding response to the special preaching campaign in Ireland planned for the months of May and June 2018. We have received well over 1,000 applications, all motivated by love for Jehovah to “offer themselves willingly.” (Ps. 110:3) Such a willing spirit must certainly make Jehovah’s heart rejoice!—Prov. 27:11.

It is heart-warming for us at the branch to see first-hand so many publishers willing to give of their time and resources to support this exciting campaign. (Isa. 6:8) As it currently stands, we have more applicants than assignments available. With this in mind, we kindly ask that you no longer send completed forms to the branch office.

You may have already observed that some publishers have started to receive their assignments. As you will no doubt appreciate, with the overwhelming response we have had, it has not been possible to assign everyone. If a publisher in your congregation has not received a response by March 31, 2018, please kindly explain that it has not been possible to offer them an assignment due to the above mentioned reason.

We understand this may be disappointing, however, please assure our dear brothers and sisters that we recognise their sincere efforts and appreciate the spirit they have shown. (Philem. 25) Nonetheless, they can still assist congregations by applying to work seldom-worked territory. We have territory assignments to be worked throughout the United Kingdom and the Republic of Ireland. Publishers can make known their preferences on the *Application for Assisting in Seldom-Worked Territories* form, which can be located on [jw.org](http://jw.org).

We appreciate your continued support as we serve Jehovah alongside you “shoulder to shoulder.” (Zeph. 3:9) Please accept an expression of our warm Christian love and best wishes.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*
