You will note that in jw.org under Documents > Forms > (Category) Outlines, these details have been added to facilitate locating the revised outlines and their titles. As other outlines are revised, the old ones will be replaced and notification will be given.

We recommend that you take into account this information when using the forms *Public Talk Titles* (S-99) and *Public Talk Titles—Listed by Subject* (S-99a) that are available on jw.org, as these forms have not yet been updated.

Please be assured of our warm Christian love.

Your brothers,
