Re: References from the Midweek Meeting *Workbook* (*mwbr*)

Dear Brothers:

Since January of this year, our midweek meetings have been enriched by the use of study references. As indicated in the December 2017 *Workbook*, in many instances these references will be based on “*images and videos from the study edition of the New World Translation of the Holy Scriptures (nwtsty)*”. Although this study edition is not yet available in Spanish, the references can be downloaded in Spanish or English to our mobile devices from jw.org or through *JW Library*. As pointed out in the *Workbook*, this information serves to enhance our preparation for the meetings and, more important, it draws us closer to Jehovah, our loving Father.

Although mobile devices are being used more and more for our meetings, resulting in savings of dedicated Kingdom funds, in our country over 70,000 copies of the printed *Workbook* are shipped to the congregations every month. In view of this, we mention the following two points for your consideration:

1. **Printing Out the References:** Please confirm that those who lack the means to download the references from jw.org are able to obtain a copy of them every month. Perhaps the group overseers can take the initiative in this regard. This will allow all to benefit fully from preparing for the meetings, as well as participating in them.
2. **Requests for the printed edition of the *Workbook*:** We encourage you to check to see if all copies of the *Workbook* are used by the publishers or if the quantity of the congregation request should be adjusted to avoid any surplus.

There is no doubt about it, enjoying the preparation, attendance and participation in the meetings is a vital facet of our worship “and all the more so as you behold the day [of Jehovah] drawing near”. (Hebrews 10:25) We take the opportunity to express appreciation for your constant care of those in the congregation who are in greater need.—Proverbs 19:17.

Please be assured of our warm Christian love.

Your brothers,

Testigos Cristianos de Jehová
