TO ALL BRITISH SIGN LANGUAGE CONGREGATIONS, GROUPS AND PREGROUPS

Re: Special Meeting—BSL

Dear Brothers:

We are pleased to invite you to a special meeting for all British Sign Language congregations, groups, and pregroups. This will take place at 1:00 p.m., on January 12, 2019, at the Dudley Assembly Hall.

Since the meeting will include a summary of the *Watchtower* Study for the week of January 7-13, 2019, no other BSL meetings should be held on that weekend. For individuals who find it impossible to attend, there will be an arrangement for streaming the special meeting. However, we warmly encourage all those involved in the sign-language field to attend this unique occasion in person so as to benefit fully from the spiritually uplifting special event.

Please be assured of our warm Christian love and best wishes.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*

PS to bodies of elders:

BSL congregations, congregations with BSL groups and pregroups should read this letter to the congregation at the end of the next midweek and weekend meetings, after which the letter should be placed on the noticeboard. While the letter is being read out, simultaneously play the BSL version of the announcement, which can be found on [jw.org](http://jw.org). Elders of other congregations can share this information with individuals who would benefit from the event. The postscript should neither be read out nor posted the noticeboard.
