TO ALL REGULAR PIONEERS SERVING AS PART-TIME COMMUTERS OR REMOTE VOLUNTEERS

Re: Hour Credit in Connection With Bethel Assignments

Dear Brothers:

This is to inform you that beginning with the report for September 2019, all regular pioneers serving in approved assignments may receive hour credit to the extent that the total number of hours actually spent in field service plus time credit for approved assignments does not exceed **75 hours, rather than 70 hours**. In view of this adjustment, the arrangement for a reduced hour requirement for part-time commuters and remote volunteers has been discontinued. Your annual hour requirement is now 840 hours.

You should keep a record of *all* the hours spent working in connection with your Bethel assignment during the month. You should report this activity to the congregation in the “Comments” section of your *Field Service Report* (S-4).

All congregation elders have been informed of these adjustments and will ensure that any regular pioneers who participate in approved theocratic assignments are aware of the updated direction.

Please be assured that we appreciate your self-sacrificing efforts in behalf of Kingdom interests. We send our warm Christian love.

Your brothers,

Testigos Cristianos de Jehová
